Fri 9 November 2007 .....................North Georgia College & State University ............... Dr. Elizabeth Combier
North Georgia College and State University faculty governance leaders hosted a meeting from 10 am to 3 pm. This meeting was intended for faculty governance leaders (up to two per institution) at the twelve senior colleges in the University System of Georgia that have about the same size and focused on the exchange of information on best practices. Five of these twelve institutions were represented at the meeting and discussions centered on governance issues. Each of those present described the governance structure at their institution.

Fri 14 March 2008  Georgia Faculty Governance Units (GAFGU) Clayton State University ..... Dr. Russell Porter
Faculty governance leaders at Clayton State University hosted a shared governance coordination meeting for faculty governance leaders at all university system schools. A brief keynote address entitled “State of the University System of Georgia” was given by Dr. Susan Herbst, Chief Academic Officer of the University System of Georgia, followed by a session of Q & A where the primary topic was the USG Core Curriculum. Three main breakout groups:
(1) Faculty Governance Units: What do they look like in the USG?  [facilitators: Elizabeth Combier & Craig Turner].
(2) Faculty Benefits: What do they look like in the USG  [facilitator: Michael Toma]
When the GAFGU breakout group reported out to the full group, they offered a proposal for the formation of a University System of Georgia Faculty Council (USGFC) which those in attendance were asked to circulate among their faculty, faculty governance unit, Chief Academic Officer, and President of their respective university. Ultimately accompanying the proposal was a draft set of bylaws to clarify the intent of the proposed organization with working identity USG Faculty Council. This complements existing advisory groups for USG students (Student Advisory Council) and USG Staff (USG Staff Council), the latter serving as a model for the proposed USGFC. Remaining after this meeting adjourned to draft USGFC Bylaws were Russell Porter (Clayton State University), Elizabeth Combier (North Georgia College and State University), Craig Turner (Georgia College & State University), Thomas Hancock (Georgia Gwinnett College), Rose Metts (Savannah State University), & Juone Brown-Johnson (Fort Valley State University).
